

Supported Devices and Drivers List for all Serendipity Software Products

Last Updated 13 October 2023

Applies to current version of software

This document contains supported device and driver information for Blackmagic, Megarip and Veripress products.

Included in this document:

Input Drivers
Output Drivers
Spectrophotometers
Destination Drivers
Signature Formats
Bookfilters
Press Agent Drivers
Print Cutters
Monitors
Rendering Effects

Canon

EPSON
EXCEED YOUR VISION

FUJIFILM

Mimaki

Output drivers are available for these major manufacturers, plus many more!
